COMMENTS AND RECOMMENDATIONS

The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Suggestions to Management:

Fund Deficit

Fund Year 2006 is experiencing a Fund Deficit of \$855,764. The Fund's attorneys are actively pursuing insurance recoveries from third parties for a Super Fund Buyout claim. Upon receipt of all such recoveries, the Fund will submit a claim with the aggregate reinsurer, which, once received will eliminate the deficit.

Governmental Accounting Standards Board Statement No. 102 – Certain Risk Disclosures

This Statement is effective for the calendar year 2025 financial statements of the Fund. We suggest that the Fund review this Statement in conjunction with their operations to determine whether the Fund will need to implement the disclosures required by this Statement.
